# How to access the infection-associated chronic illnesses flashcard deck

### If you already use AnkiHub for your medical studies:

- 1. Visit https://app.ankihub.net/decks/0991ce84-9d41-410e-835d-183e2bea4c0b
- 2. Sign in using your AnkiHub username and password.
- 3. Click "Subscribe"
- 4. In the Anki desktop application, sync with AnkiHub in the Ankihub addon menu.
- 5. Start studying!

## If you're new to Anki:

- 1. Download the Anki application
  - a. Download the application at <a href="https://apps.ankiweb.net/">https://apps.ankiweb.net/</a> (macOS or Windows)

Ô	https://apps.ankiweb.net					A* 12 D
	Anki	<3		Home	Docs	AnkiWeb
		Powerful Remembering th	, intelligent fla ings just beca Download	sh cards. me much easier		

b. Click the Qt6 download option.

- c. Follow the installer prompts until the application file appears in your downloads folder.
- 2. Download the infection-associated chronic illness deck

a. Visit deck link - https://ankiweb.net/shared/info/800200254

# Infection-associated Chronic Illness

0.29MB. 0 & 3 images. Updated 2024-05-02.

It will take 24 hours for this deck to become visible to the public, so that copyright holders have a chance to check it first.

This deck was shared from Infection-associated Chronic Illness. If you'd like to <u>update it</u>, ensure the name in your collection is still the same, share it again.

#### Description

Welcome to our Anki flashcard deck dedicated to **infection-associated chronic diseases**! In light of the COVID-19 pandemic, understanding co may be **triggered or unmasked by infection** has become increasingly crucial. This includes diseases and disorders like **myalgic encephalomye** ME/CFS), **Long COVID** (PASC), **postural orthostatic tachycardia syndrome** (POTS), \**mast cell activation disorders* (MCAS), hypermobility disord **Ehlers-Danlos Syndrome**, and more. However, these patient populations are often underserved and diagnosis and best treatment practices may adequately covered in medical school curricula.

b. Click Download near the bottom of the page
